s panito

Perfect for cocktails, happy hours and as snacks. Suited for **banqueting buffets**, as **entrées** at restaurant and pizzeria, in wine shops and wine bars together with an inebriating glass of wine. Thanks to its neutral flavor, this wafer of crisp bread is for both sweet and salt filling.

COD 7080 - 1 kg bucket - 450 pieces

Features: A small concave **bread-based wafer**, perfect for tasty and inviting snacks, appetizers and small pastries at the end of a meal. For breakfast with preserves or marmalade. Any tasting of sauces, cream, Balsamic Vinegar, oil, meat tartare and special cold cuts (fine cut pancetta, lard, etc...)

Size: cm 3,5 X 3,5 depth 1 cm

Unit weight: about 2 g

Shelf Life: 8 months in a dry place

To fill with sauces or creams, use a pastry bag

or simply two coffee spoons

So much fragrance and lightness in one mouthful. The perfect choice for your finger's food ideas with these features:

- Made in Italy, hand-crafted product
- Prepared and used under strictly hygienic conditions
- The perfect companion for all your ideations and creations
- Always the same shape and capacity. This means you are always in control of your food costs
- Elegant and practical service with different proposals for trays in plastic cardboard, in very elegant glass and in an exclusively made ABS (thermoplastic polymer) tray in 3 colors - white, black and transparent - practical, stackable, washable and re-usable.
